Volunteering in the CRC Choice Food Pantry

This is our most popular volunteer opportunity! We have volunteer shifts to help at the food pantry Monday-Friday between 9:30a-4p.

Morning volunteers will help receive grocery donations and weigh, sort, and put away as well as make up produce bags, make pet food or hygiene bags, clean, etc.

Afternoon volunteers will work with our clients helping them make choices, carry their load to the car, clean, take away cardboard, etc.

** MUST complete and approved volunteer application AND returned background check before being able to sign up for volunteer shifts.

**Please show up for a volunteer slot AFTER you sign up for a slot – do NOT arrive without previous signup

**For Village in The Ville volunteering – there is a separate process. Please visit Village in The Ville webpage for more info https://www.clintonvillecrc.org/village-in-the-ville/ https://www.clintonvillecrc.org/village-in-the-ville/

**Please note that dates and times are more specific once you have a Volunteer Local profile and can then sign up for exact slots.
